THAT'S ALL ABOUT YOU

IMAGINATION DRIVES US

Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO – Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

LUXURY AND PRACTICALITY COME TOGETHER

Brand-New CX-9 is the ultimate blend of stunning sophistication and family SUV. Reimagined from the ground up, it's the very first Mazda to feature the breakthrough SKYACTIV-G 2.5T petrol engine. Delivering class-leading performance with real-world efficiency, the 2.5-litre direct injection turbocharged engine offers driving excitement never before felt in a family SUV.

Brand-New CX-9 cuts an elegant figure on the road thanks to the superb styling of 'KODO – Soul of Motion' design. The spacious interior is finished with quality craftsmanship that is evident in every detail. Add to that the latest in connectivity, passenger comforts and advanced i-ACTIVSENSE safety technology and you've got an SUV that brings together luxury and practicality in a package that your family will love, but you'll love even more.

NOVAALU

魂動

KODO : SOUL of MOTION

Limited in Machine Grey Metallic.

ARRIVE IN STYLE

The superb styling of Brand-New CX-9 redefines the seven-seat family SUV. Featuring stunning 'KODO - Soul of Motion' design, the bold yet elegant lines command a striking street presence.

Brand-New CX-9's confident front grille and strong, stable lower body give it an assured stance on the road. Impressive alloy wheels further enhance the look, while integrated LED headlamps add a sleekness you wouldn't expect in a family SUV.

Limited with Natural Stone Leather Trim.⁵

NEW LEVELS OF SOPHISTICATION

Brand-New CX-9 indulges every passenger with unprecedented comfort, technology and spaciousness. Every element of the cabin features exceptional design and superb craftsmanship.

The elegantly finished cockpit envelops the driver with thoughtfully positioned controls, while the front passenger is surrounded in style. The middle and rear passengers are accommodated in full comfort, with plush seating and ample legroom.

Limited in Machine Grey Metallic.

BREAKTHROUGH FAMILY SUV PERFORMANCE

Brand-New CX-9 is the very first Mazda to feature the breakthrough SKYACTIV-G 2.5T petrol engine. This 2.5-litre direct injection turbocharged engine delivers an athletic driving performance that's previously unheard of in a family SUV.

Enjoy powerful acceleration and an excellent response in the low-to-mid RPM range without turbo lag. This traditional problem has been overcome by the Dynamic Pressure Turbo — a world-first turbocharging system that adapts its processes according to engine speed.

The addition of intelligent i-ACTIV AWD monitors and even predicts road conditions so CX-9 can adjust its performance to deliver exceptional real-world fuel efficiency and a superior drive every time.

POWER AND EFFICIENCY

Brand-New CX-9 delivers breakthrough performance with a newly-developed, top-of-the-range engine bringing new levels of driving pleasure. The smooth ride and athletic responses come from the latest advances in SKYACTIV TECHNOLOGY, of which CX-9 boasts the full suite. Unleashing exceptional efficiency, clever technologies like i-ELOOP have found even more ways to save on fuel and emissions.

SKYACTIV-G 2.5T ENGINE

The ground-breaking new petrol engine delivers the torque of a 4.0 litre V8, yet does so with class-leading fuel efficiency from 8.4 litres of fuel per 100km! It offers excellent dynamic performance in the mid-to-low RPM range, which is where the majority of everyday driving occurs.

World-first Dynamic Pressure Turbo controls the degree of exhaust pulsation depending on engine speed. Driven by a constant pressure flow at higher RPMs, the system reroutes the energy in every exhaust pulsation to maximise drive force at lower RPMs. All this means is you get turbocharged performance without the lag.

i-ACTIV AWD INTELLIGENT ALL-WHEEL DRIVE SYSTEM

Mazda's i-ACTIV AWD is a predictive, on-demand AWD system that anticipates front tyre slip and applies just enough torque to the rear wheels to prevent slipping from occurring. It does this via 27 sensors, which constantly monitor the road surface, outside conditions, driver operation and vehicle condition. Analysing this information 200 times per second, the system helps ensure a stress-free drive in wet and icy conditions.

SKYACTIV-DRIVE AUTOMATIC TRANSMISSION

Combines the best aspects of conventional automatic, continuously variable and dual clutch transmissions. It also features an expanded lock-up range for efficiency and direct feel.

Drivers can switch between Sports Mode or manual shift for more hands-on input.

i-ELOOP

Mazda's unique brake energy regeneration system captures braking energy in a capacitor that then reroutes that energy to power various electrical systems. On top of reducing fuel consumption, the capacitor charges and discharges faster than conventional battery systems.

Intelligent i-stop saves even more fuel by switching off the engine when you come to a standstill, restarting the moment you accelerate. Working in conjunction, i-ELOOP and i-stop can result in 10% less fuel consumption in everyday driving conditions.

SKYACTIV-BODY

The new-generation features an advanced body, making it lighter and more rigid than ever for superior handling. Increased use of high-tensile steel saves on weight while increasing strength. The exceptional new design also results in a quieter, more premium ride thanks to sound-absorbent materials, improved door seals and sound-insulating glass.

SKYACTIV-CHASSIS

Passengers experience a smooth, comfortable ride thanks to strut suspension in the front and multi-link suspension in the rear. The angle of the dampers has been optimised and solid rear bushings in the front have been replaced with a liquid variety that provides superior ratios of stiffness and compliance. These enhancements noticeably reduce the overall feeling of road vibration for optimum passenger comfort.

BE SURROUNDED BY SUPERIOR SOUND

Be immersed in the exceptional sound quality of Bose® audio on Limited grade. The 12-speaker system is integrated seamlessly throughout Brand-New CX-9's luxurious interior. Listen to music, radio and podcasts from a wide range of sources, including Pandora®, Aha™ and Stitcher.™ Enjoy access to all your favourite audio web content when connected to a smartphone.²

CONNECTIVITY THAT COMES WITH YOU

Brand-New CX-9 is fully-equipped to handle the entertainment demands of modern families, offering the latest in connectivity and infotainment. Four USB ports are distributed throughout the cabin to accommodate all your devices. Up front, MZD Connect allows you to safely access your compatible² smartphone's contacts, social media and music, while satellite navigation guides you from a large, upright touchscreen controlled by a central dial.

Limited with Black Leather Trim.⁵

TECHNOLOGY THAT EXCITES

Brand-New CX-9 incorporates clever design and intelligent features that enhance the pure driving enjoyment. Stylishly integrated LED headlamps are standard, perfectly complementing the sleek, sculpted exterior.

On Limited grade, the Active Driving Display is projected onto the windscreen in full colour for the very first time, displaying trip information in your line of sight for a less distracted drive.

In another first, Brand-New CX-9 features Mazda Radar Cruise Control (MRCC) with Stop & Go function on Limited grade. MRCC reduces the stress of negotiating heavy traffic by automatically adjusting vehicle speed to maintain a safe distance from the car ahead. It's details like these that make CX-9 captivating for the driver and passengers alike.

Limited with Natural Stone Leather Trim.⁵

ADAPTS TO YOUR LIFESTYLE

Brand-New CX-9 effortlessly accommodates the daily demands of the modern family with a versatile cabin that adapts to all your seating and luggage requirements. The third-row is accessed using a mechanism so simple even children can operate it, while storage spaces are integrated throughout the cabin to keep clutter stowed neatly out of sight. The addition of USB ports in the second row enables everyone to keep their devices powered. Brand-New CX-9 is also equipped with three-zone climate control, ensuring every passenger travels in perfect comfort.

PROTECT YOUR MOST PRECIOUS CARGO

Brand-New Mazda CX-9 is designed to maximise the safety of every single passenger on board.

The driving environment features excellent visibility, with well-positioned controls to minimise driver distraction. A reversing camera and rear-parking sensors offer extra peace of mind, while the latest advanced braking technologies are fitted to assist you in emergency situations.

And world-class collision protection is provided courtesy of an extremely rigid body, with multiple load paths diverting crash energy away from the occupant cell. Six SRS airbags are integrated, including front, side (front) and curtain (across all three rows). 3-point lap-sash seat belts are equipped to all seats with seat belt reminders featuring front and rear, while driver and front passenger belts have pretensioners and load-limiters.

With a 5-star ANCAP safety rating, Brand-New CX-9 puts your family's safety first, so you can experience true driving confidence.

Limited in Machine Grey Metallic.

READY TO REACT

If unexpected hazards appear suddenly, Dynamic Stability Control (DSC) acts instantly, braking the inner rear wheel to offset understeer (or outer front wheel to combat oversteer). The Traction Control System (TCS) also reduces torque to the driven wheels to minimise skidding. The hazard can be steered around, as control is maintained.

SAFETY REFLEX

Trailer Sway Control (TSC) adjusts braking and torque to correct any side-to-side swinging movement of towed loads.

ADVANCED SAFETY TECHNOLOGY LOOKS OUT FOR YOU

Brand-New CX-9 comes equipped with many advanced i-ACTIVSENSE safety technologies⁴ as standard. i-ACTIVSENSE assists the driver to avoid potential hazards. Along with preventative features, crash-severity-reduction technology is activated in the event of unavoidable impact.

Brand-New CX-9 is the first ever Mazda to feature Mazda Radar Cruise Control (MRCC) with Stop & Go function on Limited grade, which reduces the stress of negotiating heavy stop-start traffic.

BLIND SPOT MONITORING (BSM)

By scanning external mirrors' blind spots, radars detect any unseen vehicles to alert the driver of hazardous lane changes. An LED icon on the relevant mirror is accompanied by beeping alerts.

REAR CROSS TRAFFIC ALERT (RCTA)

RCTA assists you when you're reversing from a parking space, warning if a car is approaching from either side of your vehicle. The LED icon on both mirrors is accompanied by a beeping alert.

SMART CITY BRAKE SUPPORT (SCBS)

At forward speeds of 4-30km/h (and reverse speeds of 2-8km/h), SCBS monitors the vehicle in front to assess the likelihood of a collision. If the system detects a high risk of impact, it issues visual and audible warnings and primes the brakes for a faster response. If the driver doesn't brake, SCBS brakes automatically.

MAZDA RADAR CRUISE CONTROL (MRCC) WITH STOP & GO FUNCTION

MRCC automatically adjusts vehicle speed to maintain a safe distance from the car ahead. It's able to bring the car to a complete stop in traffic and take off again once traffic moves (if the stop is less than 3 seconds). If a complete stop exceeds 3 seconds, the car waits for the driver to initiate acceleration.

ADAPTIVE LED HEADLAMPS (ALH)

Individual control of several LEDs allows precise adjustment of the lighting pattern. The system automatically broadens visibility at low speeds, shapes the high beam to help avoid dazzling other drivers and raises beam height at highway speeds to extend vision area.

DRIVER ATTENTION ALERT (DAA)

When speeds above 65km/h are sustained for longer periods, the system monitors driver inputs and provides a visual warning if it detects signs of fatigue. DAA also provides an alert when 2 hours have elapsed.

LANE DEPARTURE WARNING (LDW) WITH LANE-KEEP ASSIST SYSTEM (LAS)

LDW uses a windscreen-mounted camera to monitor road lane markings, sounding an audible warning if you're about to stray from your lane. LAS will act if it determines the vehicle will leave its lane by applying a degree of corrective steering.

SMART BRAKE SUPPORT (SBS)

Operating at 15-145km/h, SBS monitors the distance to and speed of the vehicle in front. If SBS senses a high risk of impact, it primes the brakes for faster response. If you take evasive action, SBS deactivates. If no evasive action is taken, the brakes are applied automatically.

**STUNNING SOPHISTICATION
MEETS FAMILY SUV**

GSX in Snowflake White Pearl Mica.

GSX FEATURES

- » 18-inch gloss alloy wheels with 255/60 tyres
- » LED headlamps with auto on/off function
- » LED foglamps
- » Rain-sensing wipers
- » 3-zone climate control air-conditioning with independent rear control
- » Auto dimming rear-view mirror
- » Seat trim: Black leather⁵
- » Heated front seats with 8-way power adjustment (driver) and 6-way power adjustment (passenger)
- » Rear seats: 60/40 split fold backrest with armrest and USB input ports (2nd row) and 50/50 split fold backrest (3rd row)
- » Electric parking brake
- » Keyless entry with push-button ignition
- » Sport-mode drive selection
- » 8-inch touch screen display (MZD Connect)
- » Audio system with AM/FM tuner and 6 speakers
- » Bluetooth® hands-free phone and audio capability²
- » Internet radio integration (Pandora®, Stitcher™ and Aha™)
- » Multi-function commander control
- » Satellite navigation
- » Parking sensors (rear)
- » Reversing camera
- » Trailer Sway Control (TSC)
- » i-ACTIVSENSE safety technologies⁴
 - Blind Spot Monitoring (BSM)
 - Rear Cross Traffic Alert (RCTA)
 - Smart City Brake Support — Forward/Reverse (SCBS-F/R)

POWERTRAIN

SKYACTIV-G 2.5T

- » 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT turbo petrol engine with i-stop and i-ELOOP
- » Drivetrain: FWD or i-ACTIV AWD
- » Fuel consumption (combined): 8.4L/100km¹ (FWD) or 8.8L/100km¹ (AWD)
- » Max power: 170kW @ 5,000rpm
- » Max torque: 420Nm @ 2,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

GSX with Black Leather Trim.⁵

SHINE ON

Bright alloys add dynamic edge with their sharp, bold design and high-gloss finish.

MAKES LIGHT WORK

Auto on-off LED headlamps mean one less thing to think about while driving in changing light conditions.

A CUT ABOVE

Luxurious leather⁵ seats in sleek black are timelessly elegant.

STAY IN TOUCH

The large 8-inch colour touchscreen makes MZD Connect infotainment and satellite navigation easy to operate.

Limited in Soul Red Metallic.

LIMITED FEATURES

ADDITIONAL TO GSX

- » 20-inch gloss alloy wheels with 255/50 tyres
- » Power tilt and slide glass sunroof
- » Power tailgate
- » Privacy glass
- » LED daytime running lights
- » LED tail-lamps with lighting signature
- » Heated exterior mirrors
- » Premium Bose® 294 watt amplifier and 12 speakers (including subwoofer)
- » Seat trim: Black or natural stone leather⁵
- » Driver's seat 2-position memory function
- » Active Driving Display (windscreen-projected)
- » Advanced (proximity) keyless entry
- » One-touch power windows (all doors)
- » Rear door passenger window sunshade
- » Parking sensors (front)
- » i-ACTIVSENSE safety technologies⁴
 - Mazda Radar Cruise Control (MRCC)
 - Adaptive LED Headlamps (ALH)
 - Forward Obstruction Warning (FOW)
 - Smart Brake Support (SBS)

ENJOY MAZDA CX-9 WITH CONFIDENCE

mazdacare is a comprehensive programme designed to make owning your new Mazda passenger vehicle as worry-free as possible. You will appreciate the back-up and motoring support offered through Mazda On Call. We know you will enjoy the advantage and ease of the mazdacare Scheduled Service Programme that comes standard with your new Mazda passenger vehicle, and you will be impressed with our 5 year/unlimited km Warranty.⁹

3 year/100,000km Service at no additional cost¹⁰

We know you will enjoy the advantage and ease of the mazdacare Scheduled Service Programme that comes standard with your new Mazda passenger vehicle. Regular servicing is beneficial, keeping your Mazda in great shape for longer, saving you money in fuel, parts and keeping your vehicle safer on the road. That's why we offer 3 years or 100,000km (whichever occurs first) of mazdacare Genuine Mazda Scheduled Servicing at no extra cost. Each service is carried out by Mazda factory trained Service Specialists using the latest in vehicle diagnostic equipment, in order to keep every Mazda operating at optimum driving performance and help protect your investment in a car that enjoys excellent resale value.

5 year/unlimited km Roadside Assistance⁸

You will appreciate the back-up and motoring support offered through Mazda On Call. If something goes wrong when you're travelling then we're here to help. Mazda On Call is a Roadside Assistance programme available to Mazda owners 24-hours a day, 365 days a year – included as part of your mazdacare cover. So, if you run out of fuel, lock your keys in the car, all you need to do is call 0800 800 626. Our support centres are ready to help out with any mechanical, medical and even legal advice you might need.

5 year/unlimited km New Passenger Vehicle Warranty⁹

You'll be grateful for the peace of mind that comes with the 5 year, unlimited kilometre manufacturer's warranty.⁹

- 5 year/unlimited km New Vehicle Warranty.⁹
- 5 year/unlimited km corrosion and anti-perforation warranty.

For more information on mazdacare, go to mazda.co.nz/mazdacare.

Driving enjoyment has an exciting future

We're working hard to make driving a Mazda even more rewarding. With cars that use less fuel, but produce more power. That are lighter, but contain more innovation. We call this breakthrough SKYACTIV TECHNOLOGY. It will let every Mazda deliver more driving pleasure while being kinder to the planet. Find out more at mazdaskyactiv.co.nz

Soul shines through.

A paint finish created for KODO

'KODO – Soul of Motion' is the dynamic design vision shaping the Mazda range. To bring these striking shapes to life we developed a special paint technology, TAKUMI-NURI. Both Soul Red Metallic and Machine Grey Metallic finishes combine an enhanced reflective treatment with high-chroma pigment to achieve stunningly vivid depth and contrast.

Accessories add enjoyment

CX-9 gives you dynamic performance and impressive features. And with Mazda Genuine Accessories, CX-9 ownership is even more enjoyable. They allow you to personalise your car, and protect your investment. What's more, they deliver superb design, quality and safety, all backed by a Genuine Mazda Warranty. Mazda Genuine Accessories give you even more Zoom-Zoom.

¹Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions and how the vehicle is driven. ²Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit mazdahandsfree.co.nz or consult your Mazda Dealer for further information. ³Trip computer displays current and average fuel consumption, distance to empty and average vehicle speed. ⁴i-ACTIVSENSE safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to constantly monitor vehicle surroundings and conditions at all times. ⁵Leather interior includes Maztex material on selected high impact surfaces. ⁶Measured with 3rd row seats up and up to roof. ⁷Measured with 3rd row seats folded down and up to roof. ⁸Your mazdacare support programme is effective from the first day of vehicle registration. ⁹The 5 Year New Passenger Warranty programme comprises a 3 year/unlimited km bumper-to-bumper factory warranty and a comprehensive Major Component and Safety System warranty for an additional 2 years/unlimited km. Therefore the total new vehicle warranty period is 5 years/unlimited km. ¹⁰Mazda New Zealand covers all routine service maintenance costs including Parts, Lubricants and Labour for the duration of the programme when service is performed by an authorised Mazda dealer. Visit mazda.co.nz/passenger-vehicle-warranty to see full disclosure of items covered by the 5 year/unlimited km New Passenger Vehicle Warranty.
