

OUTLANDER

A wide-angle photograph of a modern, single-story house perched on a hillside at dusk or night. The house has large glass doors and windows that are brightly lit from within, casting a warm glow. To the right of the main house is a smaller, light-colored garage or workshop building with its door open, revealing a car inside. The house is surrounded by dark, silhouetted trees and shrubs. The sky is a deep blue, suggesting twilight or early night.

A new morning.

THEY WAKE YOU UP EARLY.

THEY STRETCH OUT BEDTIME LIKE A PRO.

THEY DEMAND YOUR ATTENTION. AND YOUR WALLET.

BUT ONE SMILE OR A HAND-MADE MOTHER'S DAY CARD
COVERED IN HEART STICKERS AND IT'S ALL FORGIVEN.

YOU'RE A PARENT, YOU GET IT.

Outlander gets it too.

OUTLANDER

The SUV you'd design for your family.

» MODEL SHOWN Outlander XLS in Rose Red.

OUTLANDER

» MODEL SHOWN Outlander XLS in Rose Red.

» REASSURINGLY SAFE

Wherever you ferry the family, they'll be surrounded by a completely integrated system of active and passive safety measures. 5-star safety standards are exceeded by every model in the range.

» EFFICIENT ON EVERY LEVEL

Efficiency is the guiding principle at the core of Outlander's design and engineering, in the way it saves fuel, reduces emissions and slips through the air.

» EVERYONE'S LOOKED AFTER

Between school sports, weekend trips and endless rounds of grocery shopping, a family vehicle plays a big role in everyday life. That's why Outlander is effortlessly accommodating and caters to the needs and comfort of every passenger.

» EVERYTHING'S INCLUDED

Outlander carries the technology to make every aspect of driving enjoyable. The ride is firm and secure. The connectivity is effortless. The overall experience is a welcome pleasure.

Family wants, family gets

OUTLANDER GIVES YOUR KIDS THE SPACE
AND VERSATILITY THEY NEED AND REWARDS
YOU WITH SUBLIME COMFORT AND ELEGANT
STYLE FOR THOSE RARE MOMENTS ALONE.

These days the ability to carry 7 people is a must-have. That's why every model of **Outlander** features 3 rows of seats. The likelihood of a long drive makes comfort essential as well. But the feeling of refinement is down to more than a well sprung seat. You're surrounded by premium materials and sculpted surfaces, inside and out.

Passengers are well and truly catered for; so are the many other things you'll need to carry. Both the back rows of seats fold flat for extra storage; 1.685 metres at full stretch. Access to the boot area is a breeze on **VRX**, thanks to the power-assisted tailgate.

And when the kids are in bed and the night is finally yours, you can glide into the city in style and enjoy the soft wash of quietness, thanks to **Outlander's** superior soundproofing.

Safety for all

FROM ITS RIGID OUTER SHELL TO THE MANY AIRBAGS WITHIN, OUTLANDER IS ENGINEERED FOR ABSOLUTE SAFETY AND PEACE OF MIND.

The vehicle you entrust with your family's protection must take the matter very seriously. The sense of reassurance you get from **Outlander** is due to the way safety is woven throughout the vehicle's design.

You're enclosed inside a high-tensile lattice that directs energy away from passengers. But this isn't the first line of defence. **Outlander** employs multiple systems to avoid danger, with traction and stability constantly monitored and carefully controlled. Brake force is applied in the most effective way, whatever the vehicle's attitude or the surface conditions. The stiff body and the many airbags within it come to your aid when necessary.

The **VRX** and **XLS** models include advanced safety systems, such as Adaptive Cruise Control and Forward Collision Mitigation, that react to the unexpected behaviour of other drivers.

Every single model offers a 5-star safety rating, and the sense of comfort it bestows.

Tread lightly

OUTLANDER IS A VEHICLE FOR THE WORLD WE LIVE IN,
AND THE WORLD WE WANT TO CREATE.

In the pursuit of efficiency, we've looked at every aspect of **Outlander's** operation. We've seized the obvious opportunities, such as creating petrol and diesel engines that wring every last drop of energy from their fuel. Even the transmission assists by changing smoothly and maintaining efficiency through optimum gear ratios. The body is light and the outer panels are designed to reduce drag.

To get the very best output from your fuel, the vehicle helps you to adjust your driving style with Eco Mode. **Outlander** offers you a choice of 2.0L and 2.4L petrol engines and a 2.3L diesel, which return fuel economy figures of between 6.2L and 7.2L per 100km. Emissions are also kept in check, as low as 158g of CO₂ per km.

The state-of-the-art SUV

A FAMILY VEHICLE MUST DELIVER IN EVERY DEPARTMENT, AND TECHNOLOGY IS NO EXCEPTION. OUTLANDER INCORPORATES THE VERY LATEST FEATURES AND CONNECTIVITY.

» MODEL SHOWN Outlander XLS.

» MODEL SHOWN Outlander VRX

Every **Outlander** now features the Smartphone Link Display Audio system. Simply plug in your iPhone or Android to play music, send messages, make phone calls and use maps – all from your phone. The system is voice activated and your apps are displayed on the large touch screen in the centre of the dash.

The driver has control of **Outlander's** audio system, Bluetooth™ and cruise control from the leather steering wheel. A good impression is created by the

string of daytime running LEDs beneath the front lamps. All models feature dual-zone climate control for a comfortable trip. You can marvel at the clarity of the high-power 6-speaker sound system. Its volume is equally impressive, much to your kids' delight.

» [LEFT] TOTAL CONTROL
Fingertip control of hands-free phone and audio system.

EACH MODEL OF OUTLANDER IS DESIGNED WITH YOU AND YOUR FAMILY IN MIND.

» [ABOVE LEFT] LUXURY OF LEATHER » [ABOVE] VISIBILITY
Ease on to the smooth leather-faced seats of the VRX. Daytime running LEDs make a smart impression and improve visibility.

» [MIDDLE LEFT] STOP/START
The ease of no keys. One press starts and stops the engine (4WD models only).

» [LEFT] EFFICIENCY
Control the engine, air conditioning and on-demand 4WD system for maximum efficiency with Eco Mode.
