

# INTRODUCING FIRST-EVER MAZDA CX-30

ZOOM-ZOOM

MAZDA

## A NEW DIMENSION OF LUXURY

It's the newest member of the Mazda family - a perfectly sized small SUV, surprisingly spacious and unique in every way. First-Ever Mazda CX-30 arrives soon and will challenge everything you expect a small SUV to be.

Sleek and bold in its design, faultlessly crafted and totally luxurious, drivers will love the exciting performance while all passengers will appreciate the ambience of the whisper quiet cabin.

## YOUR PERFECT SIZE

Sitting perfectly between the small Mazda CX-3 and the medium Mazda CX-5, First-Ever Mazda CX-30 offers new dimensions perfectly suited to drivers looking for an agile SUV with a comfortable amount of space.

Model	CX-3	CX-30	CX-5
Overall Length (mm)	4,275	4,395	4,550
Overall Height (mm)	1,535	1,540	1,680
Overall Width (mm)	1,765	1,795	1,840
Cargo Space (VDA) Litres	264	317/430*	442

\*With underfloor storage due to Bose® system.

## DESIGN IN A CLASS OF ITS OWN

Sleek, beautiful proportions that deliver a sense of vitality and movement, First-Ever Mazda CX-30 represents a design aesthetic reminiscent of a work of art. The bold stance of an SUV is coupled with a flowing beauty that reflects light and shadow in a stunning and unique way, evolving and changing the exterior appearance depending on the time, the seasons and its movement.

## LUXURY WITH ROOM TO MOVE

The perfect use of space is no more evident than in the cabin. A sense of oneness envelops the driver with everything close at hand. In contrast, there is a sense of clean open space.

Interior details, beautiful finishes and quality materials greet you at every turn. From the perfect seating position to the angles of the screen and air vents, the human-centric design of the cabin leaves nothing to chance. There's ample luggage space too with a generous 430L\* of space in the boot.

\* When the under floor storage is used due to Bose® Stereo system.  
Without underfloor storage used all grades – 317L.

## TECHNOLOGY ON POINT

Every piece of technology within First-Ever Mazda CX-30 has been designed to provide drivers with confidence and ease of operation, while helping them enjoy their drive. The brilliant full-colour Active Driving Display relays only the most relevant information in a simple fashion, allowing for a more effortless driving experience. The latest in connectivity, including the new Mazda Connect system, is displayed in stunning clarity via the 8.8-inch widescreen display, with Apple CarPlay<sup>®</sup> and Android<sup>®</sup> Auto<sup>§</sup> as standard.

§ Please check the compatibility of your device (particularly your mobile phone) with your Mazda Dealer as not all devices support connectivity or use all available features.

## SAFETY WITHOUT COMPROMISE

True peace of mind is built into every First-Ever Mazda CX-30 with a number of key safety features as standard across the range. A high concentration of ultra-high tensile steel helps reinforce the chassis, while a newly developed knee airbag for the driver, designed to suppress forward motion, also comes as standard. Paired with the latest in safety technology, like Smart Brake Support (SBS)<sup>†</sup>, Lane-keep Assist System (LAS)<sup>†</sup>, Blind Spot Monitoring (BSM)<sup>†</sup> and Mazda Radar Cruise Control (MRCC)<sup>†</sup> with Stop and Go function, every grade takes safety to another level.

<sup>†</sup> Driver assist technology only. It should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

## INTRODUCING VISION TECHNOLOGY

First-Ever Mazda CX-30 gives you the choice of Vision Technology to transform your drive into a truly effortless one. Consisting of 5 intuitive features, it includes a 360° View Monitor,<sup>†</sup> for superior visibility during low speed manoeuvres. There is also Cruising and Traffic Support (CTS)<sup>†</sup>, which assists with the accelerator, brake and steering while stuck in traffic. Driver Monitoring<sup>†</sup> uses an infrared camera to detect driver drowsiness and deliver an alert when needed. Front Cross Traffic Alert (FCTA)<sup>†</sup> checks for approaching vehicles in blind spots at T-intersections, and Front Parking Sensors help you handle parking with ease.

<sup>†</sup> Driver assist technology only. It should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

<sup>^</sup> Vision Technology is included in some grades.

## PERFORMANCE THAT EXCITES

First-Ever Mazda CX-30 has been developed with strict adherence to the Japanese philosophy of 'Jinba-ittai', the sense of car and driver as one. The result is an innate sense of responsiveness and a driving experience like no other. The newly developed G-Vectoring Control Plus (GVC Plus)<sup>†</sup> offers unprecedented levels of confidence-inspiring controllability in various situations such as high-speed lane changes and on slippery roads. Your choice of 2.0L or 2.5L Skyactiv-G petrol engines deliver dynamic performance and impressive fuel economy.

<sup>†</sup> Driver assist technology only. It should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.
